

Transportation Task Force Minutes
Reed Intermediate School Library
October 4, 11 and 16, 2017
6:30 p.m.

Dr. Rodrigue and the task force members met on these dates and worked in groups to discuss options for alleviating concerns regarding the current transportation system (groups met on their own).

At their October 16 meeting, the task force members discussed options including recommendations by Dr. Rodrigue, and viewed a presentation for the Board of Education meeting the following night. This information will be in the October 17, 2017 Board of Education meeting minutes.
