Item 9 – New Business

## Discussion on Mentor for the New Superintendent:

Ms. Zukowski noted that at the last discussion we were asked to check with CAFE and CAPSS regarding their mentor services. Mr. Cruson called CAFE and they don't provide mentor services. She spoke to Fran Rabinowitz at CAPSS and they have a mentoring service free of charge. The mentor is a highly qualified retired superintendent and they provide a monthly facilitated discussion for all new superintendents. EdAdvance also offers regional meetings and they would provide a coach for Mr. Melillo. She spoke to Mr. Melillo and he said he has professional relationships with many superintendents and can call on them informally. During the search process he forged a strong relationship with Dr. Collins. Ms. Zukowski said the decision is to either with NESDEC at the added cost of up to \$6,000 or go with CAPSS with no charge.

Mr. Ramsey was in favor of going with Dr. Collins and NESDEC for the reasons just stated. Mrs. Harriman appreciates Mr. Melillo's opinion on this but doesn't feel like we are being appropriate stewards of the public funds if we already pay CAPSS membership fees and this is part of their service that that we are choosing to pay NESDEC. She would not be in support of this motion but understands why some would be.

Ms. Zukowski said the more diverse perspectives a new superintendent can be exposed to will be learning more robustly and more quickly and she liked that he will be interacting with CAPSS and EdAdvance. This would give us a third perspective that will be useful. She would be in support of Dr. Collins.

Mrs. Kuzma also supports Dr. Collins who has spent a considerable amount of time here and learned a lot about our community.

MOTION: Mr. Ramsey moved that the Board of Education approve using NESDEC with Dr. Randall Collins as its consultant to mentor the new Superintendent. Mr. Vouros seconded. Vote: 5 ayes, 1 nay (Mrs. Harriman) Motion passes.

## Paraeducators Association Contract:

MOTION: Mr. Ramsey moved that the Board approve the ratified Newtown Paraeducators Association Contract from July 1, 2022 through June 30, 2025  
Don moved contract. Mrs. Harriman seconded.

Mrs. Harriman was proud to have been part of this contract negotiation. Everyone worked collaboratively and it was a fair and equitable contract.

Mr. Ramsey concurred with Mrs. Harriman.

Dr. Rodrigue thanked Marlene Bucci, President, who worked behind the scenes for a really good negotiation.

Motion passes unanimously.

## All-Star Transportation Contract:

MOTION: Mr. Ramsey moved that the Board of Education approve the five-year All-Star Contract effective July 1, 2022. Mr. Vouros seconded.

Mrs. Vadas spoke about the contract.

Mrs. Larkin stated there was a lot of work with this contract. They took a situation that wasn't ideal but put things in the contract that the vendor would take seriously.

Mrs. Vadas added that All-Star is working tirelessly to hire drivers.

Ms. Zukowski asked if the First Selectman knew he will have access to emergency buses and if there was a price structure for the town.

Mrs. Vadas said the cost wasn't discussed and she was not sure if he knows.

Motion passes unanimously.

Tuition:

MOTION: Mr. Ramsey moved that the Board of Education approve the out-of-district tuition rate of \$20,900 for the 2022-2023 school year. Mr. Vouros seconded.

Mr. Ramsey felt we should reduce it further for the employees.

Mrs. Vadas noted that we have a policy in place on tuition.

Motion passes unanimously.

MOTION: Mr. Ramsey moved that the Board of Education approve the minutes of June 7, 2022. Mr. Vouros seconded. Motion passes unanimously.

#### Item 10 – Public Participation

Nerlande Foote, 14 Bear Hills, said her children participated in Kids Core which was a great benefit to them. She thanked Dr. Rodrigue for all she has done for the students and wished her rest and relaxation.

Tony Keating, Oak Ridge Drive, stated that at a board meeting last month there was a commentary about Newtown's education system not getting students ready for graduate school. His sons were well educated in Newtown. He also spoke about DEI.

Eric Paradis, 85 Riverside Road, thanked Dr. Rodrigue for his daughters receiving a quality education. The pushback against DEI is absurd. It is basically being kind to each other.

Mrs. Harriman stated that effective immediately she was resigning from the Board of Education. She has been on the Board for nearly seven years and spoke about the policies that were developed and positions added like out Grant Writer, Director of Teaching and Learning and the DEI Coordinator. We were a team. She is leaving because she has seen a shift the last six months with the overstepping of boundaries and disrespect to our staff. This shift is coming close to damaging ground breaking work in particular in DEI. We have lost sight of our one job to serve all of our students every day. It's about showing up and making decisions in the best interest of our students. She wished the Board the best and to keep an open mind and always make decisions for all of our students.

MOTION: Mr. Ramsey moved to adjourn. Mr. Vouros seconded. Motion passes unanimously.

#### Item 11 – Adjournment

Item 2 – Appointment of Newtown Middle School Principal

MOTION: Mr. Ramsey moved that the Board of Education appoint James Ross as Principal of Newtown Middle School effective September 1, 2022 with salary per the administrators' contract.

Mr. Ramsey said Mr. Ross was a superb teacher, a team player and analytical problem solver. He loves children and most important to me is he will help to restore the joy of learning and teaching affected by the pandemic.

Mrs. Larkin was excited to have been part of this process. Mr. Ross is extremely warm and gracious and she has heard wonderful things about him.

Mrs. Kuzma was excited for her daughter to start at the middle school under his leadership

Mr. Vouros noted that he was on the committee. Mr. Ross entered this position with a tremendous amount of support from staff and the committee about his potential leadership at the middle school. It's important for students and staff to have his kind of leadership to take over. Mr. Vouros will help in any way and will be sure he has an assistant principal for support to transform the middle school into what it was. We wish him well.

Dr. Rodrigue said her best final decision was to hire Mr. Ross. He has the support of the ATeam and middle school staff who have all been very complimentary.

Mr. Ross thanked the hiring committee, Dr. Rodrigue and the Board of Education. He loves Newtown's excellence in academic achievement and is always moving forward with incredible leadership. He is honored to be part of this and make a difference at the middle school and looks forward to shaping the learning there. He has always felt supported by Dr. Rodrigue, Mrs. Uberti, and the teachers and parents.

Motion passes unanimously.
