Policy 4118.237/4218.237/5141.8 Face Masks/Coverings:

MOTION: Mrs. Larkin moved that the Board of Education approve the suspension of Policy 4118.237/4218.237/5141.8 Face Masks/Coverings. Mr. Ramsey seconded.

Mr Cruson, as a point of order, said we are doing this under Policy 9311 and need to specify the motion to include the time frame.

Dr. Rodrigue thanked everyone for being at the meeting and began by providing the historical timeline since March 2020 when schools were shut down. The Governor stated in his press conference that masks would be mandated until February 28 and the State Department of Health and Department of Education reserve the right to reinstate the statewide mandate until June 30 if necessary. She has met with numerous group and committees to be sure everyone understood there would still be protocols in place if we go to an optional mask February 28. . Students will have to ride the bus with masks as it's not optional per the federal government. She recommends putting this into place on February 28.

Mrs. Kuzma thanked everyone who came to speak, those on the phone, all of the emails, and also Dr. Rodrigue, Anne Dalton and Donna Culbert for looking at this to see where we want to be. We are in a place where parents can do what is best for their child.

Mr. Cruson asked if there has been consideration to concrete metrics to decide the need to go back to masks

Dr. Rodrigue said we are waiting for DPH guidance. Even the metrics way back showed we were in the red so we went out. We will know by the impact on our staff but will be in close consult with DPH if trends move in the wrong direction.

Mr. Cruson was concerned with this being a choice that we will see instances of bullying. He asked if any thought was given to make sure this doesn't happen.

Dr. Rodrigue said we have not had an issue as students have been respectful during this time. The message on bullying will come from us and from home.

Mr. Cruson said there is peer pressure and bullying pockets now. We don't want to create an uncomfortable situation.

Dr. Rodrigue said staff will also have training.

Mrs. Larkin stated there has been bullying for awhile by the parents. Adults have boycotted businesses because masks weren't worn correctly. We need better behavior from adults and respect peoples' choices.

Mr. Ramsey complimented the previous board and Superintendent for the way they handled Covid. Masking has gone on too long. Many parents issued accounts of the deep suffering by our young people. It's time to move on and have confidence in Dr. Rodrigue to monitor the situation with common sense and advisement from health professionals.

Mrs. Harriman understands learning has been difficult. She appreciated everyone that spoke especially the children. It's time for us to put this aside and move forward as a community.

Mr. Cruson thanked Mr. Ramsey for bringing up the previous board's decision. He puts trust in Donna Culbert and Dr. Rodrigue to make informed decisions.

Ms. Zukowski stated that we need to make sure our schools promote academic learning, social emotional health and wellness, and ensure the health and safety of our children. The question is the risk assessment and vaccination status and looking at safety for students and staff and wanted to be sure we get that information from professionals.

Dr. Rodrigue introduced Anne Dalton who stated we had no vaccines when it started so everyone was vulnerable. As Omicron came on it happened so quickly that contact tracing was not effective. We need to learn to live with Covid and look at personal responsibility. We are a highly vaccinated community.

Mr. Cruson said when we discussed the mask policy we removed the reference to Covid-19 so the policy could be used in the future.

MOTION: Mr. Cruson moved to amend the motion to read "until such time as the Board reviews and approves an amendment to the policy." Mrs. Harriman seconded. Motion passes unanimously.

Vote on main motion: passes unanimously.

March 23, 2022 Early Dismissal:

MOTION: Mrs. Larkin moved that the Board of Education approve the March 23 early dismissal. Mr. Cruson seconded.

Dr. Longobucco explained the need for the early dismissal for the high school because of the digital SAT test that day for 358 juniors with space needed throughout the school and the need for 80 teachers to proctor the test. Ninth and tenth grade students will be at Newtown Youth

Academy and the community center where they will be supervised by high school staff until they are bused to the high school for 12:30 p.m. dismissal.

Motion passes unanimously.

First Read of Policies:

Mr. Cruson said Policy 4000 Concepts and Roles in Personnel is an introduction to the 4000 series with one change to add a sixth bullet.

Policy 4100 Certified Personnel has language changes to allow more flexibility for the superintendent

Policy 4112.5/4212.5 Employment and Student Teacher Checks covers the types of checks we do when hiring someone.

MOTION: Mrs. Larkin moved that the Board of Education approve the minutes of February 1, 2022. Mr. Cruson seconded.

MOTION: Ms. Zukowski moved that changes be made to the minutes related to Linda O'Sullivan including changing the words "referred to someone who spoke about discrimination of white males in colleges" to "presented statistics and articles to the board in support of her assertion that there is no evidence of discrimination targeting white male": and changing the words "noted that in corporate America one can annually review their company's policies" to "asserted that many American companies have embraced DEI policies." Mr. Cruson seconded.

Motion passes unanimously.

Main motion passes unanimously.

Correspondence report

MOTION: Mrs. Larkin moved to approve the correspondence report. Mr. Cruson seconded.

Mr. Cruson said the first report was fine but the second was hard to read and he was not comfortable with some information we would not normally have in the report and concerns about having them as part of an email. He could not vote in favor of that report.

Mr. Ramsey would edit the report and bring it to the next meeting for approval.

MOTION: Ms. Zukowski moved to postpone this motion until the next meeting.

Mr. Cruson seconded. Motion passes unanimously.

Item 9 – Public Participation

Mitch Bolinsky, 3 Wiley Lane, thanked everyone for a very impressive, inclusive, and respectful process in the decision making of this issue.

**NEWTOWN BOARD OF EDUCATION
MONTHLY FINANCIAL REPORT
JANUARY 31, 2021**

SUMMARY

The seventh report of the 2021-22 school year continues to provide year to date expenses, active encumbrances and anticipated obligations. Many of the accounts within activity salaries, professional services, purchased property services, other purchased services and supplies have been forecasted as “full budget spend” in order to determine an estimated full year position. These balances are subject to change throughout the year and will be monitored closely.

During the month of January, The Board of Education spent approximately \$5.3M; \$4.0M on salaries and approximately \$1.3M on all other objects.

The current year end projected balance is showing a positive position of \$129,795. This balance has been reduced over the prior month projection by -\$51,751.

The excess cost grant has been adjusted by the State and provides an additional \$116,683 above our original estimate, yielding a reimbursement rate of 81.98%. The reimbursement rate typically falls between 72% – 75%; however, over the past few years, our reimbursement rate has exceeded 80%.

The percentage of reimbursement to each district is determined by the LEA’s (Local Education Agencies) submission and is subject to change with the release of our next reconciliation due in March.

The grant will be re-calculated at the end of February (due to the State by March 1st) and will capture any changes that may have occurred since the first submission back in December. Seventy-five percent of the deposit will be made in February while the remaining twenty-five percent will be deposited in May.

MAJOR MOVERS

➤ **SALARIES**

Salaries – Certified and Non-Certified

This account balance is showing a positive balance of \$176,962; which is a reduction of -\$18,673 over the prior month.

There were a few minor changes in the certified salaries; however, our certified positions appear to be holding steady as of now. We have adjusted our estimates for the open building sub positions (currently at 14) as well as daily sub estimates for the balance of the year.

In non-certified salaries, we adjusted the custodial overtime accounts to include the additional hours that were required due to the January storms. This account is now adjusted through year end and will be recalculated if necessary. As of February, all of our open custodial positions have now been filled.

At this time, we still have approximately 8-9 unfilled paraprofessional positions, 3 behavioral therapists and a network specialist. Prorated estimates have been included in this report and will be adjusted each month.

➤ **OTHER PURCHASED SERVICES**

The balance in this major object now shows a negative position of -\$116,379; which has changed by -\$72,806 over the prior month.

Out-of-District Tuition

The majority of change is found in the out-of-district tuition account. This account has been reduced over the prior month with the addition of four new anticipated outplacements. We have estimated a prorated amount of approximately \$120,000 that will be adjusted as necessary. However, on the plus side, we have received the State's estimated excess cost grant reconciliation which provides an additional \$116,683 in revenue.

After these adjustments, the special education out of district tuition account is now showing a negative balance of -\$167,617. A transfer request will most likely be in place next month to move the special ed contingency account into the out-of-district tuition account to assist with this deficit.

Transportation

Adjustments were made in transportation to account for the anticipated outplacements. This will most likely require further adjustments as soon as the locations have been decided upon.

Contracted Services

We have submitted our application for renewal of our cyber liability insurance policy and should be hearing from our rep soon as the current contract will expire on March 15, 2022. The current estimate of \$30,000 for this policy has not been adjusted as it is still unclear where this policy will land. By the end of February, we should have more information to provide to the Board.

Emergency Repairs

Head O'Meadow School – chiller repair requiring a replacement of the supply fan motor. The cost for this repair was \$8,220.63 and the work will be performed by Trane Inc. who also provides for our service contract.

Revenue

Local tuition in the amount of \$2,200.00 was received in January.

Rhetorical Term presentation

Formative: Oral Report

Student researches assigned rhetorical term/device and then presents it to the class.

The presentation teaches the class all of the following:

- a) definition
- b) word origin
- c) usage
- d) illustrative sentence from classical and modern literature
- e) mnemonic or other tip to help students remember

Identifying Terms in essays

Formative: Written Test

Students will read "Notes on 'Cam'" (Sontag), "Consider the Lobster" (Wallace), and "The White Negro" (Mailer) individually and as a group to identify rhetorical strategies employed.

NHS Changes

Summative: Other written assessments

Students will show mastery of the appeals through the following assignment.

Now that you are seniors, you can speak knowledgeably and intelligently about your high school experience. In this assignment, you are asked to advocate for a change in the high school experience. This can be a micro-change, such as removing a book from the curriculum, or a macro-change, such as eliminating or mandating an entire field of study. It may be something in between, such as school-wide policies on assignments, grading, etc. The only requirement is that it has to be content related, so you may not talk about the parking situation, athletics, food, etc. (You may NOT discuss individual teachers). Think about the time you've spent at the high school. In your experience, what aspect of it is either broken or in need of repair? What could have made your experience better? You will need to advocate for a change and convince your audience that a change is necessary. Appeal to the audience

Face Masks/Coverings

The Newtown Board of Education (the “Board”) recognizes the importance of protecting the health and safety of students, staff, and the community during a public health emergency. As such, and in accordance with requirements and guidelines issued by a federal authority or the Governor of the State of Connecticut or their designated authority, the Board requires that all individuals entering a school building, a Newtown Public Schools (“District”) facility, or a District transportation vehicle wear an appropriate face covering. An appropriate face covering shall consist of a cloth mask or disposable procedure-style mask that completely covers the individual’s nose and mouth. Any individual who presents for entrance into a school building, District facility or District transportation vehicle who is not wearing an appropriate face covering shall be provided an appropriate face covering by the District.

Compliance with this policy shall be mandatory for all individuals while in a school building, District facility and/or District transportation vehicle, unless an applicable exception applies. Any individual who refuses to wear an appropriate face covering at all times while in a school building, District facility or District transportation vehicle shall be denied admission and/or required to leave the premises, unless an applicable exception applies. In addition, failure to comply with this policy may lead to disciplinary action for students and staff, and exclusion from school property for members of the community, in accordance with applicable laws, rules, regulations, and/or Board policies.

All individuals participating in or attending any school-sponsored activities must wear an appropriate face covering, whether or not those activities occur in a school building, District facility or District transportation vehicle, unless an applicable exception applies or the Administration, in consultation with the local health department, determines that face coverings are not required for certain activities and athletics.

The Board authorizes the Superintendent or designee to develop administrative regulations and/or protocols to implement this policy. Such administrative regulations and/or protocols shall outline authorized exceptions to the requirement that all individuals wear an appropriate face covering in the school buildings, District facilities and District transportation vehicles and may identify additional face covering rules as related to the safe operation of the school community.

STATE OF CT PROCESS

Governor Lamont – press conference to discuss his thinking on lifting the requirements for mask mandate and giving it to local districts. Other states and communities had already moved in this direction.

The General Assembly voted to continue to emergency powers through June 30th and the Senate also voted yesterday to extend masking until February 28th.

The state Department of Health and Department of Education reserve the right to reinstate the statewide mandate up until June 30 in the event of another surge of coronavirus cases.

Recommendation: *Given the freedom for districts to determine the path forward regarding masks, the recommendation is for students and staff to be given the option to continue to wear protective face covering (masks) or to choose not to wear masks. Masks on buses are determined by federal guidance, and all students will need to wear masks to and from school if riding public transportation, until that is changed.*

“We’re transitioning to a different way we have to manage this virus in our lives.”

- Manisha Juthani, State of CT Public Health Commissioner

Continued Protocols – Newtown Public Schools

- Facilitate a deliberate dialogue with students about choice and personal responsibility (school/home)
- Continue requirement for masks required on all buses – federal
- Provide N95 for staff members and home test distribution (staff and students/families)
- Offer access to testing in schools for students (weekly) through sign up
- Continue other mitigation strategies (classroom space, distancing at lunch, sanitization of bathrooms)
- Air purifiers will remain in classrooms
- Ongoing mask breaks, as needed
- Provide access to local clinics for vaccination, booster through community partners
- Encourage ongoing self-monitoring of illness; stay home from school
- Continue current protocols regarding quarantining (screen and stay)
- Continue dashboard of cases (Coordinator of Health & Wellness)
- Monitor cases/trends in consultation with local health director and State DPH

Changes Needed

- ✓ Change the original *Return to School* plan to reflect changes (website), including language that ensures changes to flexibility around masking in school (not on bus).

<https://docs.google.com/document/d/17ZYwaIEOBYOdOprml3xpgNu1Nvj4snhTRsSPLlbn8QU/edit?usp=sharing>

- ✓ Include language in plan in alignment with State's ongoing authority, including provisions outlined in the Governor's declared emergencies that will remain in effect following February 15, 2022 due to public health concerns.

The superintendent will continue to report health trends to the Board of Education during their regular meetings. While masking will no longer be mandatory at this time, the district will continue to employ other mitigation strategies in the schools and outlined in the Return to School Plan. The superintendent will continue to consult with the local health director and the district's health and wellness coordinator to monitor COVID-19 trends, as well as respond to State guidance, and may need to consider temporary changes to mitigation strategies, which may include a return to masking for a clearly defined period of time.

- ✓ Suspend policy regarding Policy #4118.237(a), 4218.237, 5141.8 to reflect new protocols and practices regarding "optional masks"

Concepts and Roles in Personnel

All parts of the school system exist for one purpose; to facilitate the educational development of the students. A dynamic and efficient staff dedicated to education is necessary to constantly improve the education program for the students. To this end, the development of the personnel policies for certified and non-certified staff is an essential component of the educational program in this school district. The philosophy of the district and the community generally will be reflected in these policies.

Through the personnel policies the Board of Education will establish a school environment that will attract and maintain the best-qualified people whose mission will be to provide the best possible learning opportunities for the students.

The long-range goals on which these policies will be based are:

1. To recruit, select, and employ the best qualified personnel to staff the district's schools.
2. To provide staff compensation and benefit programs sufficient to attract and retain qualified employees.
3. To provide an in-service training program for all employees to improve their performance.
4. To conduct an employee evaluation program that will contribute to the continuous improvement of staff performance.
5. To assign personnel to ensure that they are used as effectively as possible.
6. To develop the quality of human relationships necessary to obtain maximum staff performance and satisfaction.

Implementation of the adopted personnel policies should include channels of communication and procedures for handling of professional and ethical problems through which all persons or groups affected may express their suggestions, concerns, and opinions.

Personnel Certified

Certified Personnel

All certified staff positions are created by the Superintendent who will inform the Board, only ~~with the approval of the Board.~~ It is the Board's intent to activate and maintain a sufficient number of positions to accomplish the school system's goals and objectives.

Before any new full time position with budgetary impact is established, the Superintendent will present for the Boards' approval a job description for the position which specifies the necessary job qualifications, the job's performance responsibilities, and the method by which the performance of these responsibilities will be evaluated.

The Superintendent shall maintain a comprehensive and up-to-date set of job descriptions of all positions in the school system in a separate manual.

Prior to hiring any person for a position with the district, and before a student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing his or her student teaching experience with the district, begins such student teaching experience, the district shall require such applicant or student to submit to a records check of information maintained on the Registry concerning the applicant.

Failure of the applicant to submit the signed form or its out of state equivalent within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
- C. Upon receipt of Registry information indicating previously undisclosed information concerning abuse or neglect investigations concerning the successful job applicant/employee, the Superintendent or his/her designee will notify the affected applicant/employee in writing of the results of the Registry check and will provide an opportunity for the affected applicant/employee to respond to the results of the Registry check.
- D. If notification is received by the Superintendent or designee that that the applicant is listed as a perpetrator of abuse or neglect on the Registry, the Superintendent or designee shall provide the applicant with an opportunity to be heard regarding the results of the Registry check. If warranted by the results of the Registry check and any additional information provided by the applicant, the Superintendent or designee shall revoke the offer of employment and/or terminate the applicant's employment if he or she has already commenced working for the district.

applicant/employee may notify the Superintendent or his/her designee in writing within five (5) ~~calendar~~ business days that the affected/employee will challenge his/her criminal history record check. Upon written notification to the Superintendent or his/her designee of such a challenge, the affected applicant/employee shall have ten (10) ~~calendar~~ business days to provide the Superintendent or his/her designee with necessary documentation regarding the affected applicant/employee's record challenge. 5. Decisions regarding the effect of a conviction upon an applicant/employee, whether disclosed or undisclosed by the applicant/employee, will be made on a case-by-case basis. Notwithstanding the foregoing, the falsification or omission of any information on a job application or in a job interview, including but not limited to information concerning criminal convictions or pending criminal charges, shall be grounds for disqualification from consideration for employment or discharge from employment.
6. 2. If a substitute teacher submitted to state and national criminal history record checks upon being hired by the district, then the substitute teacher will not be required to submit to another criminal history record check so long as the substitute teacher is continuously employed by the district, that is, employed for at least one day of each school year, by the district, provided a substitute teacher is subjected to such checks at least once every five years.

IV. Sex Offender Registry Checks

School district personnel shall cross-reference the Connecticut Department of Public Safety's sexual offender registry prior to hiring any new employee and before a student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing his or her student teaching experience with the district, begins such student teaching experience. Registration as a sexual offender constitutes grounds for denial of employment opportunities and opportunities to perform student teaching experiences in the school district.

V. Credit Checks

~~The district may also ask a prospective employee for a credit report for employment for certain district positions, where the district's receipt of a credit report is substantially related to the employee's potential job. Substantially related is defined to mean "the information contained in the credit report is related to the position for which the employee or prospective employee who is the subject of the report is being evaluated." Prior to asking for a credit report, the district will determine whether the position falls within one of the categories as described in this paragraph. ~~When a credit report will be requested as part of the employment process, the district will provide written notification to prospective employee regarding the use of credit checks. That notification must be provided in a document separate from the employment application. The notification must state that the district may use the information in the consumer credit report to make decisions related to the individual's employment.~~

~~The district will obtain consent before performing the credit or other background checks. If the district intends to take an action adverse to a potential employee based on the results of a credit report, the district must provide the prospective employee with a copy of the report on which the district relied in making the adverse decision, as well as a copy of "A Summary of Your Rights Under the Fair Credit Reporting Act," which should be provided by the company that provides the results of the credit check. The district will notify the prospective employee either orally, in writing or via electronic means that the adverse action was taken based on the information in the consumer report. That notice must include the name, address and phone number of the consumer reporting company that supplied the credit report; a statement that the company that supplied the report did not make the decision to take the unfavorable action and cannot provide specific reasons for the district's actions; and a notice of the person's right to dispute the accuracy or completeness of any information~~

Agency Privacy Requirements for Noncriminal Justice Applicants

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as a job or license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notice and other information and that the results of the check are handled in a manner that protects the applicant's privacy.

- Officials must provide to the applicant written notice¹ that his/her fingerprints will be used to check the criminal history records of the FBI.
- Officials using the FBI criminal history record (if one exists) to make a determination of the applicant's suitability for the job, license, or other benefit must provide the applicant the opportunity to complete or challenge the accuracy of the information in the record.
- Officials must advise the applicant that procedures for obtaining a change, correction, or updating of an FBI criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- Officials should not deny the job, license, or other benefit based on information in the criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the criminal history record solely for the purpose requested and cannot disseminate the record outside the receiving department, related agency, or other authorized entity.²

The FBI has no objection to officials providing a copy of the applicant's FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain his/her record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant's suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant notice, what constitutes "a reasonable time" for the applicant to correct or complete the record, and any applicant appeal process that is afforded the applicant. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of criminal history records for noncriminal justice purposes.

Chair Report: Ms. Zukowski noted that the minutes as presented correctly represent what she said about the process for the superintendent search but there was an error in her understanding of the process. The Request for Proposals is used for canvassing proposals from third-part search organizations, not applicants for the position.

Superintendent's Report:

Dr. Rodrigue reported we had a few leaks at the high school over the weekend which did not impact school today. Principals will send out a communication to parents on Covid cases to remind them to utilize the dashboard again. They will also address questions from parents of vulnerable students.

Committee Reports:

Mr. Vouros said the Curriculum and Instruction Committee met January 11 and shared the discussions including Mrs. Uberti's overview of EduClimber.

Mr. Ramsey reported the Communications Subcommittee met January 13 and discussed the contents of the next newsletter which will include an overview of the budget process. They also spoke about having Board members reach out for ideas to highlight articles about students and teachers, discussed the district website, and decided the committee will meet the first Monday of the month.

Mr. Cruson reported the Policy Committee met January 12 and discussed the Covid-19 vaccination policy and academic freedom policy which will have some changes and go back to the policy committee. Their calendar will remain the Wednesday of the week we don't have Board meetings.

Mrs. Larkin noted the CFF committee met last week and spoke about completed projects and renovations. Also discussed were projects to complete before the end of the year and the financial report.

Mrs. Harriman attended the EdAdvance Board meeting and new member orientation. She looks forward to serving with them.

Mr. Ramsey made his first liaison connection with Tom Einhorn at the middle school and their PTA president.

Ms. Savo reported that mid-terms are this week and next Monday. One of the Capstone projects is collecting donations of art supplies. She also reported club and sports highlights.

Ms. Zukowski asked how we were set with school building emergency repairs.

Mrs. Vadas noted that we have transportation credits and that funds are also available.

Motion passes unanimously.

Item 5 – Presentations

Superintendent's Overview of the Proposed 2022-2023 Budget:

Dr. Rodrigue presented the 2022-2023 operational plan. The administrators' initial request was \$84,107,395 which was reduced by \$946,319. The proposed budget is \$83,161,076, which is a 4.35% increase.

Elementary School Budgets:

Chris Moretti, Principal of Hawley School, noted that the first priority is social emotional learning in the elementary schools.

Kathy Gombos, Sandy Hook Principal, spoke about programs in this area and this year we also have universal bullying lessons. Anonymous Alert was also instituted in the elementary schools.

Chris Geissler, Middle Gate Principal, spoke about rigorous learning and student engagement. Bridges and iReady are online tools and there are also online resources.

Mr. Moretti said the district priority and district goal is the analysis and utilization of assessment data. Measuring student performance is ongoing. Meetings are held to address student deficits and celebrate advancement. EduClimber is where we hold student data.

Tim Napolitano, Head O'Meadow Principal, spoke about school climate. The pandemic challenges has allowed teachers to be thoughtful and creative in how we connect. PTAs help plan and create opportunities to connect during the school day. Our counselors are vital and we are teaching mindfulness lessons.

Mr. Ramsey asked if they received feedback from teachers if social emotional learning has been effective.

Mr. Napolitano said we get feedback from the teachers and counselors.

Mr. Moretti said the Director of Teaching and Learning meets with our teachers and has these discussions.

Dr. Gombos added that the SRBI process is also for students who have emotional or behavioral issues and discuss these students.

Mr. Cruson noted the jump in enrollment at Middle Gate School and reducing a teacher.

Mr. Geissler reported they now have 72 students and will continue to monitor the enrollment.

Mrs. Harriman asked if any additional support would be needed to accommodate the increased enrollment such as furniture.

Mr. Geissler said they are accounted for in this budget.

Mr. Vouros expressed concern for not having enough paras and what we can do to rectify that and the building substitute positions.

Mr. Moretti noted that there have been no applicants for the para positions.

Dr. Rodrigue said we are more consistent with building subs but have staffing issues across the board.

Mrs. Larkin noted that Dr. Gombos was looking for twice as much staff training as the other elementary schools.

Dr. Gombos said she anticipates new teachers and will work with them. Also, some teachers will access webinars. We've had two years with no outside professional development. She will also send a group of teachers to the Connecticut Reading Conference.

Dr. Rodrigue said they talked with the principals with a zero based budget. Not every building is the same but they did ask for what they truly need.

Mrs. Harriman asked about mindfulness classrooms.

Mr. Napolitano said Head O'Meadow does this in the classrooms. The other three schools have a mindfulness room.

Mrs. Kuzma asked that regarding SEL, if there has there been an increase in students needing help.

Dr. Gombos noted an increase in student behavior. There is an uptick in more ancy behavior. Getting back into the engagement of school has helped. We can always use more social emotional staff.

Reed Intermediate School:

Dr. Correia, Reed Principal, spoke about his budget. He is adequately staffed and has increased by 5 additional students for 6th grade next year. There are 281 in gr. 5 and 292 in gr. 6. Reed is a restorative practices trained school which helps students with problems.

Mrs. Harriman questioned buying new books for the library.

Dr. Correia said they were in a transitional phase. We had a long term sub last year and this year she is looking at the books we have. We have money in our library budget of \$17,000 so she can make purchases.

Newtown Middle School:

Tom Einhorn, Middle School Principal, spoke about his budget. We are at 600 students and look to be at that enrollment next year with clusters staying the same.

Mrs. Harriman questioned the \$21,000 for material for the language budget.

Mr. Einhorn said grant money paid this year for Rosetta Stone. We will have to pay those expenses next year. Rosetta Stone allows every students to have the world language experience. It is also part of a reading program. We had to be mindful for special education students to go to their unified arts classes. We looked at Rosetta Stone for students to have continuity going to the high school.

Ms. Zukowski referred to course descriptions and asked how much time is spent in the 6-day cycle.

Item 6- Old Business

Policies for Approval:

Policy 4118.239/4218/239 Required Covid -19 Vaccinations.

MOTION: Mrs. Larkin moved that the Board of Education approve Policy 4118.239/4218/239 Required Covid -19 Vaccinations. Mr. Cruson seconded.

Mrs. Kuzma was concerned about the verification or testing for volunteers. Some parents are concerned about confidentiality with this and are not comfortable volunteering because they don't want their vaccination status being public. Who would verify it?

Dr. Rodrigue said we discussed the logistics but the reason is we want everyone safe in school. Districts are adding this to their policies. She also discussed this with PTA presidents. She would propose signing an attestation form through our security office. She believes there should be some level of trust. We are seeing infection everywhere and thinks this is a good way to move forward.

Mr. Cruson noted we are voting on the policy, not the regulation, and feels it should be voted on tonight because a regulation could change anytime.

Ms. Zukowski asked to forward the edited version to the Board for their information.
Dr. Rodrigue said the attestation would be added.

Policy 4-109 Assignment, Transfer, or Suspension of Personnel for Cause:

MOTION: Mrs. Larkin moved that the Board of Education rescind Policy 4-109 Assignment, Transfer, or Suspension of Personnel For Cause. Mr. Cruson seconded.

Mr. Cruson said it is redundant per our employee contract and better served as being part of the contract.

Motion passes unanimously.

Item 7 – New Business

MOTION: Mrs. Larkin moved that the Board of Education approve the minutes of January 4, 2022. Mr. Cruson seconded.

MOTION: Mrs. Harriman moved to amend the minutes based on a letter received from the public on page 4, Item 7, made by Tony Keating to read, "DEI is beneficial to our children."
Mr. Cruson seconded.

After a discussion, Mrs. Harriman removed her amendment.

MOTION: Mr. Vouros moved to amend Mr. Keating's statement to read "DEI cries out for diversity of thought but wonders if current efforts are beneficial to children."

Mr. Cruson seconded. Motion passes unanimously.

MOTION: Ms. Zukowski moved to amend Wendy Leon Gambetta's statement on page 4 to remove "Citizens were forced to fly flags on Veteran's Day." Mrs. Harriman seconded. Motion passes unanimously.

Item 1 – Pledge of Allegiance

Item 2 – Newtown High School/Athletics Budget

Dr. Kim Longobucco, Newtown High School Principal, thanked her staff for making sure our students are educated and cared for. She is proud that 98.4% of our students graduated last year. This year her budget increase is .96%. SEL is very important and she spoke about the programs at the high school. The Capstone Project has been very successful with 240 seniors who completed their projects. She spoke about budget drivers which include taking care of needs based on school and district strategic plans and objectives and State mandates, ensure all programs have resources to maintain a safe, inclusive and high level of instruction, have the technology and platforms needed to ensure online success and equity to all students, class size and enrollment, and contractual increases.

Mr. Vouros thanked Matt Memoli, Athletic Director, for the tremendous job he is doing.

Mr. Memoli stated that we have one of the largest athletic program in the state with 57 teams and 95 coaches. We also have the top unified program in the State. We received the CIAC Fred Balsamo Award for Sportsmanship for offering the best experience for our athletes. We also have a number of teachers who coach.

Mrs. Harriman asked about the transportation contract for sports and what the costs will be.

Mrs. Vadas said the transportation bids were due tomorrow and we will have more information next week. She is anticipating an 8% increase.

Mrs. Larkin asked what percentage of clubs and teams on page 124 were coached or led by current teachers.

Dr. Longobucco said clubs are run by staff in our building.

Mr. Memoli would provide the number of teachers who coach.

Mrs. Larkin asked if students have been identified who haven't elected to do anything in the high school and why they are not more involved.

Dr. Longobucco said we have a club fair and the counselors check in with each student to be sure they have an adult they've connected with in the school.

Ms. Zukowski asked if we had the number of unique players and if there were pay to play fees for all clubs.

Dr. Longobucco said that was just charged for athletics and the marching band.

Item 3 – Special Education Budget

Mrs. Petersen, Director of Pupil Services, stated that we have 666 special education students as of this date. Since July 1 we have had 40 new special education students move into the district. The greatest challenge is the increased emotional needs in our students. She spoke about special education programs and out-of-district placements which also included DCF placements and those in magnet schools.

Mrs. Harriman asked how many students were in the SAIL program in the middle and high schools.

Mrs. Petersen said there were eight in the middle school with some being evaluated and 17 in the high school.

Mrs. Harriman asked if staffing was adequate this year and for next year.

Mrs. Petersen said we have enough staff. With 17 students at the high school if that number grows we will reassess at the end of the year to talk about resources for next year.

Mr. Cruson asked how the growth there was between last year and this year.

Mrs. Grayson said there were 7 to 10 more this year with 3 students coming from other districts.

Mrs. Kuzma asked if they were seeing an increase in special education referrals due to the pandemic.

Mrs. Petersen said we have had more this year but there's no way to predict with special education.

Mrs. Kuzma asked about the decrease in paras.

Mrs. Petersen said the decrease was at the middle school because now students have access to a special education teacher in their cluster. We had no applicants for the para positions and found the co-teaching worked wonderfully.

Mrs. Larkin noted a decrease of 243 students from the 2018-19 school year to today but an increase in special education students. She was concerned about not having enough money for the year.

Mrs. Petersen said that ESY is well staffed and is adding two special education teachers and one for each middle school cluster.

Ms. Zukowski asked if any positions were impacted by Covid and noted that the cost for special education tutors jumped to \$35,000.

Mrs. Vadas said using homebound tutors was affected by Covid.

Mrs. Zukowski asked if students are expected to grow out of dyslexia.

Mrs. Petersen said they don't grow out of it but we have specialized instruction to learn skills and tools to get through the rest of schooling. Some students go from IEPs to having a 504.

Mr. Vouros asked what we can do to help staff who are monitoring students with IEPs.

Mrs. Petersen said the staff does an amazing job and communicates with supervisors. We are doing a wonderful job right now.

Item 5 – Health Budget

Anne Dalton, Nursing Supervisor, said we have a strong group of nurses and they have stepped up to many challenges. She thanked the Board for their support. Regarding the health budget, the most changes are shifting staff and their assignments with students.

Item 4 – Pupil Personnel Budget

Mrs. Petersen said this budget is for psychologists, social workers and guidance counselors, and nurses.

Ms. Zukowski asked who supports this staff.

Dr. Rodrigue said the Human Resource department works to get whatever resources they need. We have funds in the budget for these and have had grants for things like yoga for stress relief.

Ms. Zukowski asked that regarding special education and pupil personnel if there was an overlap there in monitoring the SRBI process.

Mrs. Petersen said the social workers and psychologiss work with students with IEPs. Counselors work with students in SRBI who are not identified as needing special education services.

Item 6 – Curriculum and Instruction Budget

Mrs. Uberti, Assistant Superintendent, presented her budget. She thanked our incredible staff who continues to move forward to update curriculum and learn new practices to identify student needs.

The goal of this budget is to develop and implement a rigorous academic curriculum and ensure that all staff use effective instructional tools, best practices, assessment data and intervention resources to improve academic standing and inspire students to excel. Mrs. Uberti spoke about the four budgetary categories which are staff and curriculum development, staff training, contracted services, and textbooks.

Mrs. Harriman mentioned the curriculum audit for DEI and that looking at our curriculum will be a huge job. She asked if she would need any funding to support that process

Mrs. Uberti was looking into doing some of that this year. Some additional funds are available and she is contacting EdAdvance to do that work in-house. We have a lot of formal curriculum and the work would be ongoing.

Mrs. Harriman asked her to let the Board know if she needed any additional dollars for that work.

Item 7 – Public Participation

MOTION: Mr. Vouros moved to adjourn. Mr. Ramsey seconded. Motion passes unanimously.

Item 1 – Pledge of Allegiance

Item 2 – Public Hearing on the Budget

Jessica Velasco, 103 Brushy Hill Road, supports the efforts of Wesley Johnson and thanked the Board and administration for creating this position. In this short time we realize how important this position is and asked the Board to provide administrative support for him as it cannot be done by one person.

Laura Main, 42 The Old Road, was in support of the curriculum budget and independent audit. Funding is important for this. Develop curriculum for a culturally responsible education.

Item 3 – Budget Discussion

Mrs. Vadas reported that the tax increase for both the Town and Board of Education budget would be 1.07%.

Dr. Rodrigue received a question regarding professional development and training related to classroom and instruction. She provided information over the last three years. We had a November professional development day around diversity and equity but the majority is for instruction.

Ms. Zukowski had a question about whether the budget supports an audit on curriculum.

Mrs. Uberti noted that an audit was not included in this budget but would be done the remainder of this year.

Ms. Zukowski asked about administrative support for Mr. Johnson.

Dr. Rodrigue noted that he receives secretarial support from central office.

Mr. Vouros wanted everyone to understand that before Mrs. Uberti joined us that portion of our program was lacking. She began to tie up loose ends and get everything organized and moving our staff forward. This document is attributed to her and the administrators who supported her.

Mr. Ramsey asked how the professional development feedback was from the teachers.

Mrs. Uberti began in 2019 and PD was impacted by Covid in 2019-20. This year there has been a little fatigue with online PD. We have been working more directly with teachers. She and Dr. Purcaro are in the classroom more and finding what type of PD they want. We take their needs into consideration.

Dr. Rodrigue noted that we often ask teachers to evaluate PD days and get their feedback which is very favorable.

Mrs. Harriman noticed a lot of PD around DEI and asked what Mr. Johnson's role will be in this training or are we bringing someone from the outside.

Mrs. Uberti said we are discussing that right now. It would be a combination of both. We are looking to have one on culturally responsible education. At the State level there is a network of DEI coordinators which he is connected to.

Mrs. Larkin asked if there was PD for elementary teachers to look for learning disabilities. Mrs. Uberti said that would be for general education classroom teachers. We usually identify disability based on the assessments we give. We are also doing work on the SRBI process. A goal with EduClimber is to create ranges and referrals to special education in each school.

Mrs. Larkin said the teacher is the first line as they spend a lot of time with the students. She was not sure if any PD was available for elementary schools.

Mrs. Uberti said we won't see a lot for the elementary schools because they have been working on Bridges. We are looking for more coming from the State. Mrs. Larkin wants to make sure literacy stays in the forefront.

Dr. Rodrigue said that regular education teachers work with special education teachers so if something arises when looking at data that collaboration is critical.

Mrs. Larkin noted a custodian position was posted on line and asked how long it was open. Mr. Gerbert advertised for approximately two weeks. By union contract we offer it to our staff for five days and after that it goes external. The two week period includes those five days. We are one week into the posting for the middle school.

Mrs. Larkin asked that knowing we are moving students from Hawley to Sandy Hook and Reed, if it was a position we needed to fill.

Mr. Gerbert said for the moment we do because we have a number of months left in the school year and it is a valuable body to have. If a vacancy lasts for a while, work is picked up by other custodians in the school and is also covered with overtime and other man hours. We used a lot of overtime with Covid but there was a breaking point where people were released from their position or wanted to go back to their regular schedule.

Ms. Zukowski thanked the Dr. Rodrigue and the administrators and staff at the meeting and was impressed with the quality of this budget. We are adding 75 students to the elementary schools and 6 new certified staff members. There has been learning loss with the schools closed due to the pandemic. We added a .5 math interventionist at Hawley, Middle Gate and Head O'Meadow Schools which equals 1.5 positions. In the middle school, the schedule was adjusted to accommodate world language classes. We also discussed co-taught classes in the middle school and 2 special education teachers which were grant funded will now be in the budget. The high school lost 67 students and reduced 1.4 positions. Ms. Zukowski fully supports this budget. Last year just under \$500,000 was removed from the budget and moved to capital nonrecurring. That amount accounts for a certain gap between last year's and this year's budget comparison. It was capital for technology and our maintenance projects. They

are now represented in our budget and it's up to the Board of Finance and Legislative Council to decide if we continue to keep them there.

Item 4 – Public Participation

MOTION: Mr. Cruson moved to adjourn. Mrs. Harriman seconded. Motion passes unanimously.

Ms. Zukowski thanked the Board of Education members, administrators and school personnel at the meeting, the administrators to her right, and to Ms. June for everything she does for the Board which is very much appreciated.

Item 5 – Adjournment

Item 1 – Pledge of Allegiance

Item 2 – Technology Budget

Dennis Colclough spoke about the technology budget. The highlights were Chromebooks and the new Blackboard System which took the place of School Messenger. EduClimber is the new data system. This budget is consistent with previous years and has minimal increases.

Mrs. Larkin asked the major driver of this budget.

Mr. Colclough said the two large increases were equipment and Chromebooks.

Item 3 – Continuing Education

Jennifer Arnold presented this budget.

Mrs. Larkin asked if the summer programs were available for every Newtown student.

Ms. Arnold said they are offered for K-12 students.

Mrs. Larkin asked if any revenue was generated.

Ms. Arnold said we do but most goes to expenses such as salaries, supplies and scholarships.

Ms. Zukowski asked where the adult continuing education fees went to.

Ms. Arnold said that money goes to pay for the teachers, our brochure, membership dues, and supplies.

Item 4 – Plant Budget

Bob Gerbert presented this budget.

Mrs. Harriman noted the amazing job Mr. Gerbert has done changing the tenor of the department along with the large amount of cost savings he made. When Sandy Hook School was built we knew there would be costs for landscaping and asked where we stood with that.

Mr. Gerbert reported that we were in the middle of the landscaping contract and they service the moat area once a month. We also contribute to the landscaping budget.

Ms. Zukowski noted that due to Covid we needed a lot more cleaning supplies and asked where we were with their costs because they are going down.

Mr. Gerbert said that the costs are unknown. With Covid there was a lot of focus on the pandemic with cleaning and sanitizing but then we learned the transmission was more airborne. This year it has been focused more on ventilation, masks and testing. We bought a lot of products so we have a good supply.

Ms. Zukowski said we have tried to make our buildings more sustainable in terms of energy, gas, and oil and asked for a graph over the last 10 years regarding kilowatt hours and use of propane and gas that we can possibly use for next year's budget and for the CFF committee. She also asked for what we saved on maintenance to show the results of our investment.

Item 5 – Benefits

Mrs. Vadas spoke about this budget and was joined by Bjorn Burke, Assistant Financial Director.

Mr. Ramsey inquired about tuition reimbursement for teachers seeking degrees.
Dr. Rodrigue said teachers can submit reimbursement to go on to their masters. This has been negotiated with the teachers for a long time.

Item 6 – General Services Budget

Mr. Cruson asked for an estimate of how many hours it took to process the paper time sheets. Mrs. Vadas said we have two full-time staff in payroll. Even if we had a system in place there would still be clerical work. It probably takes two to three days to get the time sheets in and enter them in the system.

Ms. Zukowski asked if a lot of the need for substitutes was Covid-related.
Mrs. Vadas said that besides sickness, we need substitute teachers for those on leave. We use university interns and our building substitutes are paid all year.

Dr. Rodrigue said that prior to the pandemic we looked to bring in more building subs who are there every day. The pandemic is less relevant here. Teachers are out for a number of reasons.

Mrs. Kuzma asked if we were fully staffed with building subs and if they rotate between buildings.

Dr. Rodrigue noted we are not fully staffed and they stay with one building.

Ms. Zukowski mentioned the early retirement incentive we had.

Mrs. Vadas noted we had one for the current year and for next year. We expect around 8 or 10 teachers to retire but also anticipate a potential shortage in non-certified positions.

Security Budget:

Mark Pompano presented this budget.

Mr. Ramsey asked if we provided security guards for the private schools.

Mr. Pompano said the Police Department provides an armed security guard for St. Rose which is paid for by the Archdiocese. St. Rose, Waldorf and Housatonic have members on our security committee and maintain channels to reach the police department.

Mr. Ramsey asked about security officer recertification.

Mr. Pompano said any armed security officer has to go to a training course in Meriden. The police department used to pay for that but we will start covering that expense.

Mr. Cruson asked about the fingerprint machine.

Mr. Pompano said the State recently went to an automated system but he is still using ink which gets better results. The latest cost for the electronic system is \$8,500.

Ms. Zukowski noted there was over \$100,000 in capital equipment.

Mr. Pompano said that was for the camera system which is guaranteed for five years. There will be no cost until July of 2028.

Item 7 – Transportation Budget

Bjorn Burke presented this budget.

Ms. Zukowski noted that only one company submitted a transportation bid and asked how many there were in previous years.

Mrs. Vadas said possibly three but there was only one this year. She reached out to other bus companies and financial directors who were only seeing one or two companies submit with high increases. There is also a lack of drivers. Equipment could also be a reason because of new equipment requirements. We are looking at an 8.5%. There will be a lot of moving pieces so we need to have discussions with All-Star and the Board.

Ms. Zukowski asked for a list of all capital projects, the estimated tax increase with our budget, and what the tax increase would be if capital projects were taken by the nonrecurring account.

Dr. Rodrigue spoke to Dan Rosenthal and they don't want to mislead with the amount.

Ms. Zukowski asked to contact Mr. Tait for the tax increase for the Town so we could have the entire tax increase.

Dr. Rodrigue suggested if the Board had any questions she would like to have those in advance of Thursday's meeting.

Item 8 – Public Participation

MOTION: Mr. Cruson moved to adjourn. Mrs. Kuzma seconded. Motion passes unanimously.

Item 1 – Pledge of Allegiance

Item 2 – Public Participation

Item 3 – Reports

Chair Report: Ms. Zukowski reported that there will be a Community Conversation next week entitled “More than a Conversation about Race.” There was a discussion at the charter revision commission about filling vacancies on the Board that would change our standard practice. They were notified that we did not request that and expects it will be discussed at the next meeting. A rough draft of the budget cover letter was sent to the Board and asked that it be included in the minutes.

Superintendent’s Report: Dr. Rodrigue spoke about the certified staffing report. Information was sent to parents which included having two mental health days for students as needed, mental health resources, and information from Eversource to help families in need. They are also offering PCR testing for children. We have had a steady decline in Covid cases in schools. At this time we don’t have information on the extension of the Governor’s orders regarding vaccinations and masking.

Item 4 – Policy 4118.21 Academic Freedom

MOTION: Mr. Vouros moved that the Board of Education approve Policy 4118.21 Academic Freedom. Mr. Cruson seconded.

Mr. Cruson said the Policy Committee looked at this at two meetings with Mrs. D’Eramo and Mr. Johnson. We replaced the second paragraph with the State’s academic freedom policy. It still represents what policy is about and restrictions for K-12 teachers and also kept the language Mr. Johnson suggested.

Ms. Zukowski added that the key focus of this policy is to protect the freedom of speech and the association of Newtown teachers while ensuring instruction is based on district practices and that all students feel included.

Motion passes unanimously

Item 5 – BOE Newsletter

MOTION: Mr. Vouros moved that the Board of Education approve the Communications Subcommittee newsletter. Mr. Ramsey seconded.

As the chair of this committee he thanked Mr. Cruson for helping to facilitate the transition and putting the newsletter together.

Mr. Cruson thanked Ms. Zukowski for providing her articles. We felt curriculum was important to highlight in this newsletter. He also thanked Mrs. Uberti and Dr. Percaro for contributing. Motion passes unanimously.

Item 6 – Adoption of the 2022-2023 Budget:

MOTION: Mr. Vouros moved that the Board of Education adopt the Superintendent's recommended budget for \$83,161,076. Mr. Cruson seconded.

Mrs. Vadas spoke about the technical adjustments in the plant operations sewer account with a reduction of \$20,000, the cafeteria operations contracted services account of \$30,000, and the nursing non-certified salaries of \$59,896 for a total adjustment of \$109,896 bringing the percentage increase down to 4.21%

MOTION: Mrs. Kuzma moved to remove \$27,999 from the high school budget for hall monitors. Mr. Vouros seconded.

Mrs. Kuzma said they were implemented during Covid but we are moving in a direction where we can eliminate them and revisit if necessary.

Dr. Rodrigue reported the monitors help distance students in the morning in different parts of the building.

Dr. Longobucco reported that the main lobby is extremely crowded with approximately 700 students. There is major traffic and it's chaotic. Having the monitors provides a supervised space for each student.

Mr. Ramsey was in favor of this motion and has faith in the students and administration and with Covid winding down it can be a step to normalcy.

Dr. Longobucco said the safety concern is crowding in the lobby with students sitting on the floors. She worries if there was an emergency. Teachers are not in class until 7:50 a.m.

Mr. Vouros said this was not the place to remove money to cut the budget.

Mrs. Harriman noted that our role is to provide a safe learning environment. She was not comfortable with a motion that would impact safety

Mr. Ramsey will support the money, understands the safety concerns, and has changed his thinking on this.

Mrs. Kuzma appreciates this conversation. She was unaware this was an issue before Covid.

Mrs. Harriman asked Dr. Longobucco to make reductions in the number of monitors during the year if appropriate.

Vote: 7 nays Motion fails unanimously.

MOTION: Mrs. Harriman moved to increase the Curriculum and Staff Development budget by \$25,000. Mr. Cruson seconded.

Mrs. Harriman recommended this increase because she is concerned about the curriculum audit process moving forward next year.

Mrs. Uberti appreciated that. She plans to have an audit take place this year. The audit will include our staff members who would be trained to do this.

Mrs. Harriman said funding would be for the internal staff to continue this work next year.

Mrs. Uberti noted that the money would not be available until July 1 and was not sure if it will be needed.

Mr. Ramsey appreciated this support but has faith in the teachers to do this during PLC meetings. He would vote against the motion.

Mr. Cruson wasn't comfortable putting this on the teachers as an unfunded mandate. By building the internal staff's ability to do this work it is a long term investment we will be making and sees the value.

Mr. Vouros assured everyone that as this process takes place and if we feel Mrs. Uberti will need more assistance before Dr. Rodrigue leaves we can address that. This is important but Mrs. Uberti has it under control.

Mrs. Harriman felt this was a small investment that will have a big impact on our students in the future.

Mrs. Larkin asked what happens after the audit.

Mrs. Uberti explained that the selected curriculum is reviewed by the auditors and they report back suggestions to improve it. Resource review is an additional cost. We are looking at courses that have recently been revised, take our teachers through the process, and find a way to put it into our practices.

Ms. Zukowski asked if the process with EdAdvance has been determined.

Mrs. Uberti said we were in the process of discussions with EdAdvance and we would actually have an audit on Modern US History which was recently written and went to the Curriculum and Instruction Committee. We also recently revised grades seven and eight US History. Our staff would be there as a learning experience and apply it to the curriculum process we have in place. This would be imbedded in our practice.

Ms. Zukowski asked if having the lens of DEI as part of the curriculum process will slow down the process.

Mrs. Uberti said it was hard to say but if we are embedding it in the process then it shouldn't. We would utilize the money we have. The more money there is, the more you can do but we also need to have the teachers available to do the work. If we had the additional \$25,000 we would have the entire year to do the work.

Vote: 3 ayes, 4 nays (Ms. Zukowski, Mr. Ramsey, Mrs. Kuzma, Mrs. Larkin) Motion fails.

MOTION: Mrs. Harriman moved to reduce the budget by \$109,897 based on the technical adjustments provided by our Director of Business.

Mr. Ramsey seconded. Motion passes unanimously.

MOTION: Mr. Vouros moved that the Board of Education adopt the Superintendent's recommended budget for a total of \$83,051,179.

Mr. Cruson seconded. Motion passes unanimously.

Item 7 – Public Participation

Konrad Miller, 72 Forest Drive, spoke about patriotism and racism.

Tony Keating, Oak Ridge Drive, spoke about auditing curriculum and academic freedom.

Nerlande Foote, 14 Bear Hills Road, spoke about DEI and said to look at how all residents feel about it but to continue with DEI efforts.

Trey Hazard, 10 Arthurs Court, referred to the person who spoke about white males in college. It doesn't have anything to do with DEI.

Linda O'Sullivan, 10 Farmery Road, referred to someone who spoke about discrimination of white males in colleges.

Tony Keating, Oak Ridge Drive, clarified that the public was supposed to address the Board and mentioned an article about white males and women on college campuses.

Joseph Martins, 12 Pebble Road, complained about those parking in the handicapped spaces at Reed School when he picks up his daughter.

Kate McGrady, 26 Philo Curtis, questioned if someone could speak twice at Public Participation. Ms. Zukowski responded they could.

Ms. McGrady noted an article in The Bee about public participation guidelines at a Board of Education meeting. Students came to speak and the audience clapped. The supportive clapping was not approved. Questions to Mr. Johnson regarding patriotism were upsetting. Racism is not patriotism.

Linda O'Sullivan, 10 Farmery Road, noted that in corporate America one can annually review their company's policies.

MOTION: Mr. Vouros moved to adjourn. Mr. Cruson seconded. Motion passes unanimously.
