

GR. 5-8

FORENSIC SCIENCE JR DETECTIVE CAMP

JULY

24 - 28

8 A.M - 12 P.M

AT NEWTOWN HIGH SCHOOL

\$175/WEEK

THE EVIDENCE
LEFT BEHIND

Ready to become a Jr. Detective?

This exciting camp will analyze "crime scenes," examine fingerprints, study handwriting forgeries, take footwear impressions and type simulated blood samples - all in a week!

Forensic science is introduced by combining logical reasoning, some math and out-of-the-box thinking! Guest Speakers with hands-on CSI and Detective experience will stop in to keep Jr. Detectives engaged and on the case!
