Dear Parents and Guardians,

Newtown Public Schools is happy to announce we will be serving free meals for the remainder of the school year!

Please assure your student has funds in their account if they would like to purchase snacks, beverages or additional meals.

The easiest and most convenient way to provide your student with funding is through the My School Bucks portal which can be accessed here - [myschoolbucks.com](https://myschoolbucks.com). You can also set up recurring payments, low-balance alerts and view your students balances as well as meal selections. We encourage all parents to use this method of payment.

You also have the option of sending checks made out to Newtown Food Service. Cash is also an option but not encouraged.

Please contact John Morris, Director of Dining, with questions.
