

NEWTOWN PUBLIC SCHOOLS

GUIDELINES FOR INDEPENDENT EDUCATIONAL EVALUATIONS (IEE)

According to state and federal special education laws, parents/guardians have the right to an independent educational evaluation of their child at public expense if they disagree with an evaluation of the child conducted by the district. The Newtown Public School District has established the following procedure for obtaining an Independent Educational Evaluation (IEE) and criteria for the selection of an appropriate evaluator. In accordance with applicable law, these criteria also apply to outside evaluations performed by an outside evaluator selected by, and/or, at the request of the Newtown Public School District.

Definitions

An **Independent Educational Evaluation (IEE)** is an evaluation conducted by a qualified examiner who is not employed by the Newtown Public Schools, which is the public agency responsible for the education of the child.

An **evaluation** means the formal testing and/or assessment procedures used to determine whether a child has a disability and the nature and extent of the special education and related services the child needs.

Public expense means the district either pays for the full cost of the evaluation or ensures the evaluation is otherwise provided at no cost to the parents/guardians.

Procedure

Upon receipt of a request for an IEE by a parent/guardian, the school district will **either**: (a) initiate due process and a hearing to show that the evaluation conducted by the district of the child is appropriate; **or** (b) provide an independent educational evaluation at public expense. If the school district requests a hearing and the final decision is that the district's evaluation of the child is appropriate, the parent/guardian still has the right to an independent educational evaluation, but not at public expense.

If, in response to the parent/guardian request for an IEE, the district decides to procure an independent evaluation, upon request, the district will provide names, addresses, and phone numbers of possible IEE evaluators who meet the district's criteria (*as set forth below*). The list will identify those evaluators who, in the district's judgment, are qualified to perform the evaluation requested by the parents. Parents may also select evaluators not included on the district's list, provided they fully satisfy all of the criteria set forth below.

Parent will be expected to contact the evaluator they have selected to conduct the IEE in a timely manner to schedule any necessary appointments.
