State and local school board policies allow nurses to administer medications to any school age child pursuant to written authorization of a parent/guardian and standing orders from the school district medical advisor. The Newtown school system will allow the above medications to be administered during school hours only, NOT ON FIELD TRIPS, provided this form is completed. Please contact your child's school nurse with any questions. If your child requires any prescription or other over the counter medication, please see the nurse for appropriate form.

Thank you for your cooperation.
