

## Meghan Glynn M.S. OTR/L

Mrs. Glynn graduated with a Bachelors in Science, Minor in Psychology and Concentration in Human Development from the University of Scranton in 2003. She continued on to complete her Masters in Occupational Therapy from the University of Scranton in 2004.

Mrs. Glynn has worked in a variety of settings with children and adults. She worked for 4.5 years at Bridgeport Hospital where she was a full time therapist on the Rehabilitation Unit working with people of all ages. She also worked in the Bridgeport Ahlbin Centers as Pediatric out patient occupational therapist in the sensory gym working with children with a variety of diagnoses. In addition, she has spent time completing evaluations and treatments in the Bridgeport Public Schools. She has also worked for the Visiting Nurses of Connecticut as a Homecare occupational therapist and completed per diem on the Rehabilitation Unit at the Yale New Haven Rehabilitation and Wellness Center at Milford Hospital. Presently, she has been working full time for the Newtown Public Schools for the past 11 years.

Through the years she has completed continuing education courses on Neurological Disorders, Yoga with Children, Handwriting without Tears, Sensory Processing Disorder and Strategies for Vision Disorders & Blind students. She now works as the School Occupational Therapist for Head O' Meadow Elementary School and The Newtown Preschool at Sandy Hook School.

Mrs. Glynn lives in Milford with her husband Bryan, daughter Cayleigh (4<sup>th</sup> grade) and son Brendan (kindergarten). She enjoys being outside, going to the beach, exercising, yoga, and spending time with family and friends.
