9/18 @ 6:30PM & 9/20 @ 9:30AM

NEWTOWN COMMUNITY CENTER

**(Babysitters are provided)**

Please come join us for the first meeting of the year of the Newtown Special Education PTA and help support the programming of district-wide activities (K-12) for our special needs kiddos throughout Newtown. The Newtown Sped PTA is a non-profit Parent Teacher Association® which helps support parents navigate their children's special education needs as well as provide connection to other parents, positive collaborations with teachers, staff/ administrators, and the community. The Newtown Sped PTA is dedicated to the pillars of inclusion, meaningful collaboration, and the sharing of education and resources parents and teachers need to help the children in their life.

This year the Newtown Sped PTA will be co-sponsoring a multisport program for K-4<sup>th</sup> grade, fundraising for sensory friendly equipment to be available for all Newtown school events, and offering mini grants to parents and teachers who want to buy items to make a sensory corner for their home or classroom. We are membership-driven and want to hear from you about what programming **You** want to see this year!

Your membership dues and donations help support meaningful activities for our kids. Membership forms will be available at the meeting. If you can't make it to the first meeting of the year, we'd love for you to join by filling out the attached.
